Introducing IMPACT's first ever...
FOOTY TIPPING COMPETITION!

Footy Fever Outbreak Claims First Victims!

Ever since Skilled Park opened up, just down the road from their office, the guys and gals at IMPACT Accounting Solutions have had a nasty case of FOOTY FEVER!

And the only known cure for this contagious malaise is, of course, a FOOTY TIPPING COMPETITION! So if you've also got the fever, or even if its just a sniffle that you think may lead to the fever, join the team at IMPACT for a flutter on the footy.

Pass this email on, and get your friends, family and colleagues involved - we want everyone to play!

Rules of Play

This is a straight 'pick the winner' tipping competition.

Tip Cut-Off Time : Tip cut-off time for your competition is 5 minutes before EACH match. This option will enable you to make selections right up until the start of each match.

Regular Season: Correct Tip=1 Incorrect Tip=0 Drawn Tip=0 Tip the Draw=2

Pick the Round: 2 Bonus Points

Forget to Tip: You get the away teams, with a maximum score of 5

Late Starter: You get the amount of away teams that have won each round, capped at 5

Picking the Margin: Tipsters must guess the difference in the scores between the two teams playing in the margin match (generally the Friday game), this helps distinguish who will win the weeks top tipster.

Weekly Prizes: The final weekly prize amount will be determined after the number of tipsters is finalised.

Prize Information: Will be finalised as soon as possible after we confirm the number of tipsters.
